SKYDIVE HIGH OVER FLORIDA

Skydive High over Florida with Tom Noonan and his team. Tom was one of the first to Skydive Everest and continues to oversee jump operations for the annual high-altitude skydive. He's made more than 4000 skydives and is on the Board of Directors of the United States Parachute Association. He helps to design and test civilian and military tandem parachute equipment.

All Jumps are Tandem
No Skydiving Experience Required

Age, health and weight restrictions apply. To find out if you can Skydive High over Florida, call 800-644-7382 or 941-346-2603

www.skydivehigh.com

The Skyvan's rear exit adds excitement to the skydive.

SKYDIVE HIGH OVER FLORIDA

It's the next best thing to an Everest Skydive.

High-altitude skydivers in Florida will jump wearing revolutionary oxygen equipment provided by TopOutAero, a company founded by Ted Atkins and Dr. Ryan Jackson, two members of the Everest Skydive family.
